ACTIVITIES

Date of Event: 05/06/2018

Organized By: Department of Commerce, TTWRDC (G) DAMMAPETA

Introduction

The **Haritha Haram** (Green Telangana) program is an ambitious initiative launched by the Telangana state government with the aim of enhancing the green cover in the state and mitigating environmental challenges. The program promotes massive plantation drives, environmental awareness, and the active participation of various sectors of society. In line with the state's vision, **TTWRDC Dammmapeta** organized a special Haritha Haram celebration on its campus, marking its contribution to this vital ecological cause.

Impact of the Event

Environmental Impact:

The plantation of over 500 saplings will significantly contribute to improving the green cover of TTWRDC's Dammmapeta campus. The indigenous trees planted will help restore local ecosystems, support wildlife, and contribute to improved air and water quality.

Conclusion:

The **Haritha Haram celebration at TTWRDC Dammmapeta** was a successful initiative that combined environmental activism with educational outreach. It provided an excellent platform for students, faculty, and the local community to come together and contribute to the sustainable development goals set by the Telangana government. The event highlighted the importance of creating a greener and more sustainable future and showcased the role of educational institutions in promoting environmental awareness and conservation efforts.

QUIZ COMPETITION

TOPIC: Accepted Accounting Principles (GAAP)

DATE: 20/7/2020

Introduction

Generally Accepted Accounting Principles (GAAP) are a set of rules, standards, and procedures used by accountants and financial professionals in the preparation and presentation of financial statements.

Importance of GAAP in the Commerce Department

The Commerce Department plays a critical role in regulating business activities in a country, and the use of GAAP is crucial for businesses operating within the economic system. Some of the key benefits of adhering to GAAP in the commerce sector include:

Investor Confidence: GAAP-compliant financial statements provide investors with confidence that they are receiving accurate and reliable financial information. This transparency is essential for a healthy financial market.

Conclusion

GAAP is a cornerstone of financial reporting in the United States and plays an essential role in the functioning of the global economy. By ensuring that financial statements are reliable, comparable, and transparent, GAAP helps businesses gain the trust of investors and regulators, leading to a more stable and efficient market.

GROUP DISCURSSION

TOPIC: Indian Economy Be Privatized

DATE: 10/8/2020

Department: Commerce

Introduction

The Indian economy, historically characterized by a mixed economic model, combines both public and private sectors. Over the past few decades, India has increasingly embraced economic reforms that encourage liberalization, privatization, and globalization.

India's Privatization Experience

India has pursued a gradual approach to privatization. Notable examples include the privatization of Air India, Indian Airlines, and some state-owned banks. However, the success has been mixed:

Success: The privatization of companies like Maruti Suzuki, which was initially a joint venture with the government, is seen as a success story. The company transformed into a leading automobile manufacturer with significant contributions to India's export market.

Conclusion

The debate on whether the Indian economy should be fully privatized hinges on balancing the benefits of efficiency, investment, and growth with the need to protect public welfare, social equity, and national interests.
