DEPARTMENT OF TELUGU

ICT/PPT CLASSES

INFORMATION AND COMMUNICATION TECHNOLOGY TOOLS IN LEARNING: TELUGU

Information Communication technology tools contribute to high quality learns. Since they have potential to increase students motivation connect students to many information sources support active in class and out class learning environment .In all countries,teachers have had to develop new skills while ,in many countries, the students are often farm are advanced than their teachers in the skills of using smart boards, smart phones, I pads and laptops .The main advantages to take ICT classes for students to improve learning skills .

The activities carried out through Digital and interactive tools increase student's concentration and therefore they assimilate concept more quickly enhancing learning. This type of tools involves students in more practical learning with the aim of reinforcing what they have learnt

The Department of Telugu also used PPT/ICT for effective teaching in the class room and gain knowledge to the students
