ANNUAL e-GOVERNANCE REPORT 2022-23

The e-Governance framework at TTWRDCW, Devarakonda is robust and pivotal in the college's administration and management processes. Led by comprehensive digital initiatives, the institution leverages a dynamic website as a central repository for essential information and feedback channels. Utilizing biometric attendance systems and software like SAMS for monitoring academic activities, the college ensures efficient operation and transparency. Financial management through FAS and admissions via TGUGCET reflect streamlined processes, while platforms like WhatsApp and social media facilitate real-time communication. Health initiatives like PANACEA enhance student welfare, complementing examination procedures managed via MG University's online platforms. Overall, TTWRDCW's integration of technology and governance fosters effective educational delivery and administrative oversight.
