

Activity Report(2019-2020)

Department: Physics

Name of the Activity : World Science Day

Date	Time	Venue	No. of participants	Nature Indoor/Outdoor
10/11/2019	12:00_1:00	Seminar hall	20	Indoor

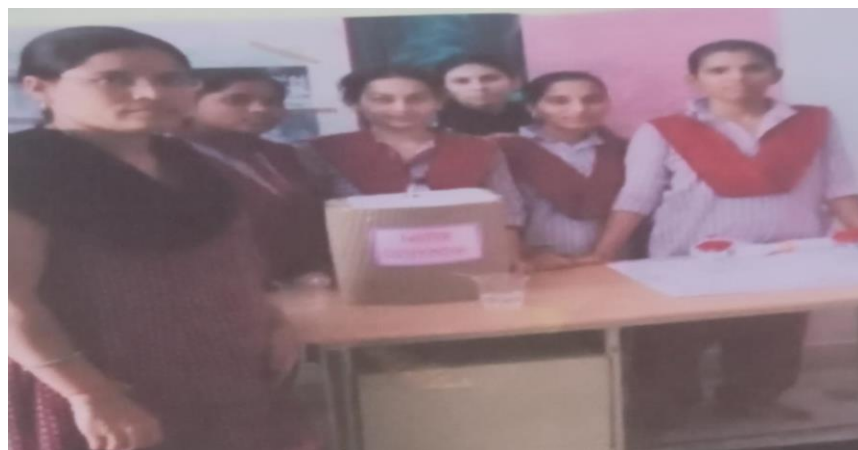

Brief information about the Activity:

Topic/Subject of the Activity : To celebrate World Science Day

Objectives: To educate students about the significant role of science.

Outcomes: Students got awareness about importance of science.

Report: on 10th November 2019, World Science Day was celebrated to educate students about the significant role of science. By this activity students got awareness about importance of science. Students took active participation in the activity.

Activity Report(2019-2020)

Department: Physics

Name of the Activity: Notional Science Day

Date	Time	Venue	No. of participants	Nature Indoor/Outdoor
28/02/2020	12:00_1:00	Seminar hall	15	Indoor

Brief information about the Activity:

Topic/Subject of the Activity: To celebrate National Science Day

Objectives : To educate students about the Raman effect.

Outcomes: Students got awareness about C.V.Raman and Raman effect

Attachments: No

Report : on 28th february 2020, National Science Day was celebrated to educate students about the Raman effect. By this activity students got awareness about C.V.Raman and Raman effect. Students took active participation in the activity.

Activity Report(2020-2021)

Department:Physics

Name of the Activity:World Science Day

Date	Time	Venue	No. of participants	Nature Indoor/Outdoor
10/11/2021	11:00_1:00	Seminar hall	20	Indoor

Brief information about the Activity:

Topic/Subject of the Activity : To celebrate World Science Day

Objectives: To educate students about the significant role of science.

Outcomes: Students got awareness about importance of science.

Attachments:No

Report: on 10th November 2021, World Science Day was celebrated to educate students about the significant role of science. By this activity students got awareness about importance of science.

Activity Report(2020-2021)

Department:Physics

NameoftheActivity:Quizcompetition

Date	Time	Venue	No.of participants	Nature Indoor/Outdoor
14/12/2021	12:00_1:00	Seminar hall	40	Indoor

BreifinformationabouttheActivity:

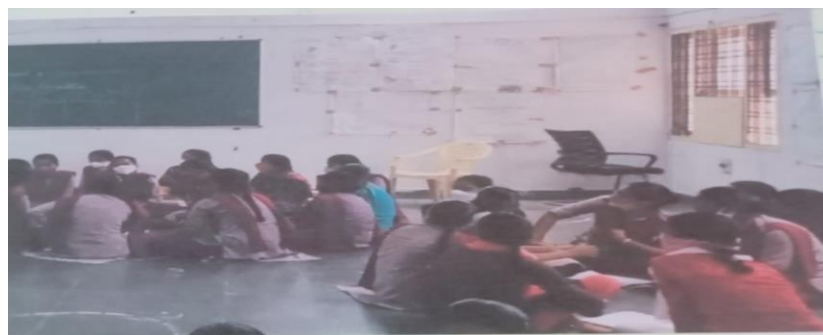

Topic/SubjectoftheActivity:Quiz competition

Objectives:Toencouragestudentstoparticipants inthecompitation.

Outcomes:Students have participated in the Quiz competition

Attachements : No

Report : on 14th December 2021,World Quiz competition was celebrated to encourage students to participant in the compitation. By thisactivitystudentshaveparticipatedintheQuizcompitation. Students took active participation in the activity.

Activity Report(2021-2022)

Department: Physics

Name of the Activity: Women in Science

Date	Time	Venue	No. of participants	Nature Indoor/Outdoor
11/02/2022	12:00_1:00	Seminar hall	20	Indoor

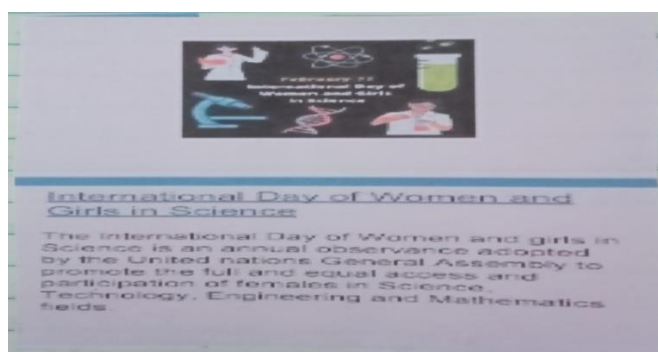

Brief information about the Activity:

Topic/Subject of the Activity: To celebrate International day of Women and Girls in science.

Objectives: To give awareness about Women in science.

Outcomes: Students have got awareness about role of Women in science.

Report: On 11th february 2022, Women in science, was celebrated to give awareness about Women in science. By this activity students have got awareness about role of Women in science. Students took active participation in the activity.

Activity Report(2022-2023)

Department: Physics

Name of the Activity : National Science Day

Date	Time	Venue	No. of participants	Nature Indoor/Outdoor
28/02/2024	11:00_12:00	Seminar hall	20	Indoor

Breif information about the Activity:

Topic/Subject of the Activity : To celebrate National Science Day.

Objectives: To give awareness about Raman effect and its applications.

Outcomes: Students have got awareness about Raman effect and its applications.

Report: On 28th February 2023 National Science Day was celebrated to give awareness about Raman effect and its applications. By this activity students have got awareness about Raman effect and its applications.

Activity Report(2023-2024)

Department: Physics

Name of the Activity: World Science Day

Date	Time	Venue	No. of participants	Nature Indoor/Outdoor
10/11/2023	03:30_4:30	Seminar hall	20	Indoor

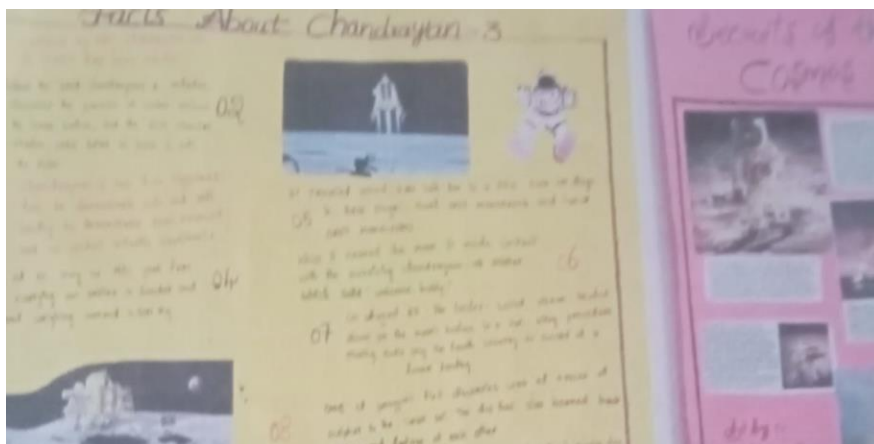

Brief information about the Activity:

Topic/Subject of the Activity: To celebrate World Science Day.

Objectives : To educate students about World science day.

Outcomes: Students understood the importance of the World science day.

Report: On 10th November 2023 World science day was celebrated to educate students about world science day. By this activity students understand the importance of the world science day students took active participated in the activity.

Activity Report(2023-2024)

Department: Physics

Name of the Activity: National Science Day

Date	Time	Venue	No. of participants	Nature Indoor/Outdoor
28/02/2024	11:00_12:00	Seminar hall	25	Indoor

Brief information about the Activity:

Topic/Subject of the Activity: To celebrate National Science Day with the theme of National Science Day

Theme : Indegenour technologies for vikasit Bharat

Objectives: To explain the concept related to National Science Day and theme of National Science Day

Outcomes: Students have understood the theme of National Science Day and also importance of National Science

Report: On 28th February 2024 National science day was celebrated to explain the concept related to national science day and theme of National science day.
