*"Every success story starts with a dream."*

Our journey to success also began with a dream. A dream to see our students soar high. To reach that dream we worked on each step so that we can land on the next one successfully , because we the Department of English believe that *"Great achievements are directly linked with actions, if our actions towards achieving the goal are strong we can do wonders.*" Following this our students have written their success stories by *Dreaming, Believing And Reaching* their destination of success.
