Awareness Programme on Breast Cancer

09-09-2024

You We Can An NGO Foundation under the programme Swatch Mahila Swatch Bharath took a significant step in the fight against breast cancer by organizing a successful Breast Cancer Awareness Program. The event, held on September 10, 2024, at TTWRDC Khammam under the Guidance of IQAC, Department of Life sciences organised the programme .Our Beloved Principal Dr. Srivani garu Inaugurated the session.

The Programme was aimed at spreading awareness about breast cancer and educating the community on prevention and early detection. Students and staff regarding Breast cancer to women ,they have shared Breast Cancer detection methods, preventive measures and how students can develop their immune system towards cancer . Students are made aware of Breast cancer and the faculty are Screened with Cancer detection Devices
