

Internal Quality Assurance Cell

The **Internal Quality Assurance Cell (IQAC)** is a fundamental part of our college, responsible for developing a systematic approach to enhance the quality of education and maintain high standards in various institutional processes. The IQAC aims to create a learner-centric environment that fosters quality education, innovation, and continuous improvement in the college's academic and administrative functions.

Objectives of IQAC : The IQAC of our college ensures

- To develop and implement quality enhancement strategies for academic and administrative systems.
- To ensure that the institution meets quality standards in education.
- To promote a culture of excellence in teaching, learning, and research.
- To encourage regular feedback from students, parents, and stakeholders to improve the overall learning experience.
- To ensure adherence to accreditation requirements and support the process of institutional self-assessment.

Functions of IQAC

The IQAC in our college works towards improving the quality of education and the institutional environment through the following key functions

1. **Quality Assurance:** Monitoring the effectiveness of the teaching-learning process and ensuring it aligns with the institution's standards and the expectations of stakeholders.
2. **Curriculum Development:** Supporting the regular review and updating of curriculum to meet industry standards, ensuring relevance to emerging trends, and aligning with students' learning needs.

3. **Feedback Mechanism:** Collecting and analysing feedback from students, faculty, alumni, and employers to identify areas of improvement and maintain high academic standards.
4. **Faculty Development:** Organizing workshops, seminars, and training programs for faculty to enhance teaching skills, subject knowledge, and research capabilities.
5. **Institutional Planning and Management:** Supporting effective institutional planning, resource allocation, and the implementation of academic policies to optimize the academic environment.
6. **Documentation and Reporting:** Maintaining proper documentation of all quality assurance activities, preparing reports, and facilitating accreditation processes.
7. **Promoting Research and Innovation:** Encouraging faculty and students to engage in research, innovation, and collaborative projects to advance knowledge and contribute to societal development.

Role in Accreditation and Assessment

IQAC plays a significant role in preparing the college for accreditation processes, like National Assessment and Accreditation Council (NAAC)

By continually assessing institutional performance and aligning with the accreditation standards, IQAC helps maintain the college's reputation and ensures its commitment to continuous improvement.

Activities and Initiatives

IQAC organizes a wide range of activities and initiatives that contribute to the college's growth and development, including:

- Regular academic audits.
- Faculty training and professional development.
- Quality enhancement workshops.
- Student-centric initiatives for holistic development.
- Engagement with stakeholders such as alumni, parents, and employers.

Academic Audits

Awareness programs

FDPs

Field visits

The Internal Quality Assurance Cell is integral to our college's commitment to excellence in higher education. Through consistent monitoring, review, and enhancement of academic and administrative processes, IQAC ensures that the institution remains at the forefront of quality education and provides a vibrant learning environment for students.
