DEPARTMENT OF ZOOLOGY

WORLD TUBERCULOSIS DAY-24/03/2019.

Organized by : TTWRDC(W) Khammam,Department of zoology in conducted world tuberculosis day.

Date: 24/03/2019.

Objective: Creat awareness about tuberculosis disease.

Activity :poster presentation and display.

Report :Each year, we recognize World TB Day on March 24. This annual event commemorates the date in 1882 when Dr. Robert Koch announced his discovery of Mycobacterium tuberculosis, the bacillus that causes tuberculosis (TB).

The theme for World Tuberculosis Day in 2019 is it's time.The theme emphasized the urgency to act on the commitments made by world leaders to end TB.

The purpose of world tuberculosis day is to spread awareness about tuberculosis and how to control this and the importance of health.

In this programme principal B.Roja madam given wonderful speech about health and in this programme staff and students were actively participated.

All the science faculty given speeches about this disease and preventive methods.
