## **FIELD TRIP**

### **LANGUAGE LAB**

We the department of English had taken our students to visit English language lab, which is located in Abdul kalam Institute of technology **on April 2022.**

A language laboratory is a classroom equipped with tape recorders or computers where people can practice listening to and talking foreign languages. A language laboratory is a room equipped with tape recorders, etc, for learning foreign 7 languages. A language laboratory is a classroom in which students learning a foreign language can practice sound and word patterns individually or under supervision with the aid of audio equipment, etc. The language laboratory or language lab is an audio or audio-visual installation used as an aid in modern language teaching. They can be found, amongst other places, in schools, universities, and academics.

The Benefits of using a language lab Language labs are becoming highly valued at colleges and universities because they offer students a structured eLearning environment that is successful and reliable.

- ❖ A language lab is practical
- ❖ Students learn much faster in the language lab
- ❖ The teacher takes on a more important role in the language lab
- ❖ Use more resources and varied activities than in a traditional classroom
- ❖ Language labs allow for diversity in the classroom
- ❖ Labs foster communication in the classroom
- ❖ Language labs are an intuitive tool for both the student and teacher.

❖ Language labs optimize computing resources

## KINNERASANI PROJECT VISIT

The kinnerasani project is a storage reservoir constructed on the Kinnerasani River in the Godavari basin at Yanamboly village of palvoncha mandal.

Our college TTWRDC-G-KOTHAGUDEM is located in that region , As a part of Field Trip we have visited Kinnerasani Project along with our students.

Kinnerasani is an important tributary of [Godavari](#) flowing through the [Warangal](#) and [Bhadradi](#) districts of [Telangana](#) and [Eluru district](#) of [Andhra Pradesh](#).<sup>[1]</sup>

Students have observed the wild life sanctuary, which covers an area of 63.54 sq.km. The gross storage capacity of the dam is 237.8 million cubic meters (Mcm) or 8.4 tmc ft <sup>[2]</sup> The river drains on the right bank of [Godavari](#) in Telangana and forms common boundary between Andhra Pradesh and Telangana states before its confluence with main Godavari river.
