COMMUNITY OUTREACH PROGRAM

30-01-2020

As a part of Community Outreach Program, some selected students are taken to 'Dyva Krupa Children Home' to know the different children, how they got abandoned by their parents and how they want to lead their life in future.

They that are abandoned at an early age has felt us as their own sisters and played, interacted and has made us realize how blessed we are to have parents and relatives.

The work of the children home is very appreciable as they have taken care of so many children to lead their life attended and reaching their future.
