As a part of women's Day celebration, we have coordinated with NIT Warangal and Vignam Prasar and conducted a webinar by Dr. M. Saralaja Kumari Prof, Dept of Electrical Engineering, NIT Warangal. This was under the topic of the day was 'We, Our Strengths and Empowerment' which told us about our strengths and students have understood their strengths and have learnt very well about how to use their strength in the right way at the right place.

Students have participated in the Webinar by singing and sharing their views about the seminar.
