To commemorate the birth of the second President of India, Dr. Sarvepalli Radhakrishnan, who was a philosopher and a great teacher, 5th September every year, is celebrated as Teacher's Day. His contribution towards Indian education is undeniable. The Teacher's Day was organized with incredible gusto and zeal by the students.

Teachers play a major role in making their students responsible citizens of tomorrow and good human beings. Like every year, this year also the Professors and Faculty were invited to celebrate Teachers Day. Students greeted teachers with flower pots, fostering an environmentally friendly gesture.

We celebrate Teachers' day every year throughout the country on 5th September. This day provided an opportunity for students to express their gratitude and appreciation for the invaluable contributions made by our teachers. The celebration commenced with a special assembly held in the mini hall of the college. The assembly was led by the student council, who organized a heart-warming respect to all the teachers.

Students welcome all the teachers with offering Rose Flower and gift to express their Gratitude towards the teachers who are the pillars of the nation. After the felicitation program, students expressed their views on "significance of Teacher in Society and individual's life" by their speeches.
