

CAREER AWARENESS SEMINAR :

- *Career awareness encourages individuals to explore their interests, strengths, and values. By understanding themselves better, individuals can align their career choices with their personal aspirations, leading to a more fulfilling professional life.*
- *Career development training is designed to give professionals the opportunity to evaluate and plan their employment futures, as well as expand their job-related skills and knowledge.*
- *Career awareness seminar is conducted on 30-09-2023 in Telangana Tribal Welfare Residential Degree college (Girls) Mahabubabad. Our college principal madam cordially invited guests from TSPSC . They gave many suggestions to career development skills and students also effectively participated in this seminar..*
