Departmental staff meeting is held on November 2019 at 3pm in the staff room of physics department.

All the faculty members of the department discussed regarding semester examinations.

The following are the resolutions to be taken to get good results

- Monitoring each and every student in the evening study hours
- a clarifying doubts session
- slip test have taken in each and every topic
- Giving important topics for slow learners
- previous question papers must be practiced.
- check whether all the students are participating or not
