### Rules and regulations:-

- => In this activity total 10 students participated. I divided 2 teams in this activity.
- => Maximum time will be 5 minutes for each participant
- => TEAM A Affirmative presents Arguments
- => TEAM B Negative presents Questions about Affirmative arguments.
- => The first Affirmative speaker begins the debate, and is then followed by the first negative speaker.
- => Each speaker speaks for a set time, with a warning bell, to give them a little time to sum up and finish. Then a final points:-

## TEAM A

- => public company "Ltd"
- private company "Pvt Ltd"

=> In India there is not available Capital requirement facilities, so that India will be depending on foreign companies

## TEAM B

- => why used this Ltd. Pvt Ltd like used to any another way

=> now-a-days private company expanded, why Government not taking any steps to reduce it.

⇒ Indian companies collaborate with foreign companies. - form use good funds, in the companies.

⇒ why Indian companies generate own capital requirements. like gathering funds from public.
