

## **Internal Quality Assurance Cell (IQAC)**

The purpose of the IQAC is to ensure quality of teaching, learning skills, infrastructure and facilities. It interacts with Students and Teachers for providing quality education. The IQAC team analyses and ensures if the facilities which are given to the students are adequate or not.

### **IQAC – Vision**

To develop analytical quality process in the college for developing, progressing and advancing excellence in academic and administrative process and to set guidelines for periodic evaluation

### **IQAC – Mission**

1. To Develop mechanism for improvements in academic and administrative performance.
2. To facilitate the integration of the various activities of the institution and the best practices.
3. To analyse and document various programmes/activities conducted in the institution for quality improvement

## Functions of IQAC

### Some of the functions of the IQAC are:

- Documenting various quality improvement programs and activities.
- Creating a student-centric teaching-learning environment.
- Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process.
- Arrangement for feedback response from students, parents and other stakeholders on quality-related institutional processes.
- Organizing various workshops & seminars for the quality education environment.
- Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles.
