NATIONAL SERVICE SCHEME (NSS)

Aims and Objectives

1. As in the field of education NSS is a part of our academic, social, and personal lives.
2. It enables students to actively participate and show their talents to the betterment of the society and country.
3. To assisting in the development of students personalities towards the society.
4. The NSS provides the ideal venue for students and youth across the country to become involved in real-life social activities and, become responsible citizens of India.
5. To Understand the community in which the students work.
6. To Identify the needs and problems of the community and get involve in solving the problems.
- (i) 7. To Practice national integration and social harmony.

Motto of NSS

“NOT ME BUT YOU”

. It emphasizes that an individual's well-being is ultimately dependent on the well-being of THE society as a whole.

The NSS Symbol

The National Service Scheme's symbol, is based on the chariot wheel of Odisha's Konark Sun Temple. The Sun Temple's massive wheels represent the cycle of creation, preservation, and release, as well as the movement of life across time and space. The symbol's design, a simplified version of the sun-chariot wheel, emphasizes movement. The wheel represents life's ever-increasing cycle. It represents both continuity and change, commitment to societal development and advancement.

About the NSS

The National Service Scheme (NSS) had its birth on September 24, 1969, during the Gandhi centenary year. The scheme was first launched in 37 universities.

Today the NSS has become the largest Government organization of students in the country comprising members from the Intermediate level to the university levels. The volunteers take part in various community service programs. The strength of NSS volunteers makes the NSS one of the largest student forces in the world. The NSS has good relations with different government agencies and non-government organizations in implementing its programs for helping the people through education and social services.

The NSS is useful not only for the development of the student's personality but also helps to promote the unity and integrity of the nation. It also bring together young people from diverse geographical and socio-cultural backgrounds.
