

ELECTORAL LITERACY CLUB

What are ELCs

The Electoral Literacy Club acts as a platform to actively engage college students through captivating activities and hands-on experiences, aiming to sensitize them about their electoral rights and familiarize them with the process of registration and voting. These clubs are not limited to colleges alone, as they can also be found in rural communities. At the clubs, the amalgamation of learning and enjoyment takes place. The activities and games are thoughtfully designed to stimulate and motivate students, provoking them to think critically and ask questions. Through the Electoral Literacy Clubs, the Election Commission of India aims to strengthen the culture of Electoral participation among the young and future voters, fostering a sense of responsibility towards the democratic process.
