CRITERIA -I

METRIC-1.4.1

FEEDBACK MECHANISM

Telangana Tribal Welfare Residential Degree College (Boys) has an inbuilt process of obtaining feedback from various stakeholders such as Students, Alumni, and Parents with respect to the Lecturers academic teaching learning process as well as about the physical facilities of the college. The feedback is obtained at the end of each academic year/semester to understand the perceptions of the various stakeholders towards the teaching learning process in the college. The scores obtained are tabulated and the total scores as well as the average scores are calculated for each parameters of the feedback obtained for all the stakeholders. These scores are considered as constructive indicators to take necessary and appropriate action for the betterment of the teaching learning process as well as the physical facilities of the college. The proformas for obtaining the feedback from various stakeholders are shown as follows

METRIC-1.4.1

FEEDBACK MECHANISM & ACTION TAKEN REPORTS

Telangana Tribal Welfare Residential Degree College (Boys) has an inbuilt process of obtaining feedback from various stakeholders such as Students, Alumni, Parents & Employer with respect to the Lecturers academic teaching learning process as well as about the physical facilities of the college. The feedback is obtained at the end of each academic year/semester to understand the perceptions of the various stakeholders towards the teaching learning process in the college. The scores obtained are tabulated and the total scores as well as the average scores are calculated for each parameters of the feedback obtained for all the stakeholders. These scores are considered as constructive indicators to take necessary and appropriate action for the betterment of the teaching learning process as well as the physical facilities of the college.

Based on the feedback given by the students a meeting will be conducted with the staff members of the college under the chairmanship of the principal in the principal chamber to analyse the consolidated responses of the feedback received from students, alumni and parents on various parameters. Open discussion will be allowed and all the suggestions opinions will be taken up and implemented for the welfare of the students and for the overall development of the college.

ACTION TAKEN REPORT

Session: 2022-23

A meeting has been conducted with the staff members of the college under the chairmanship of the principal in the principal chamber to analyse the consolidated responses of the feedback received from students, alumni and parents on various parameters. All the teachers, IQAC coordinator and principal opened discussions, suggestions, opinions and resolved to implement an action taken plans and ideas to overcome the problems expressed in the analysis of feedback for institutional development.

Resolution on students' feedback towards lecturers:

- As many of the students opined that the existing faculty are good in all the aspects and giving their best which is good indicator with regard to faculty members.
- Future learners will be identified and special focus will be taken.
- Remedial coaching will be conducted more effective manner to the failures and proper care shall be taken to improve the overall pass percentage of the college.

Resolution on alumni feedback:

- It is a good indicator that all the alumni students have given positive feedback on college infrastructure and functioning.
- As the lowest average is observed for college building and infrastructure, as the new construction for college building has started this will be resolved by the next academic year.

Resolution on Parents feedback:

- It is noted that majority of the parents have given positive feedback on all the parameters.
- As the lowest average is observed from few parents on college environment for the overall development of the students, more care will be taken on this aspect and the same will be resolved by undertaking student centric activities.
