### **ABOUT COLLEGE:**

Telangana tribal welfare residential degree college (Boys) Manuguru was established in August 2017 in Bhadradi Kothagudem District of Telangana. The college is affiliated to Kakatiya University, Warangal. The goal of the institution is to provide quality and skill-based education to the socially, economically, and downtrodden sections of the society.

The main objective of the college is to provide higher education through latest teaching and learning methods. It motivates the students to take admission to the different courses and plans to conduct coaching to help them pursue higher studies. It will try to increase the strength of students in all departments and impart quality education to students and monitor their overall development. The students are encouraged to participate in class room discussions and seminars, eminent resource persons in all subjects are invited to deliver extension lectures.

In order to upgrade its teaching-learning process, the college encourages the staff members to attend faculty development programs, refresher courses and seminars. The teachers as well as the students are encouraged to browse internet to keep themselves in touch with the latest development in their subject. The college obtains the well needed feedback on curriculum and performance of teachers from students.

In the Covid-19 pandemic situation the Government Degree Colleges of Warangal Rural have been involved in Academic Activities by Zoom Online classes to the students.

**Vision:**

- To impart quality education to the socially and economically disadvantaged students who hail from rural areas.
- The institution dedicates itself for the academic, value-based education and physical culture of our students hailing from rural, backward & Tribal areas: uplift them by inculcating comprehensive personality development programs for their wellbeing: equip them with communication skills coupled with employable abilities.

**Mission:**

- To cater to the academic needs of the students of various sections of society with career orientation and multi-skill development programmes.
- To encourage the innate talents of each student and help experience the 'pleasure of learning'.
- To help students build self-confidence and face the challenges of life in present and future.

**Objectives:**

- To provide Higher Education to the under privileged sections of the society
- To guide the students in the right direction to make them good citizens with social awareness
- To conduct social awareness programmes like NSS, extra-curricular and co-curricular activities
- To develop employability skills and life skills of students for settlement in life
- To strive for all round development of the students
- To bridge the gap between the rural and urban students.
