**ACADEMIC YEAR: 2019-2020**

National Mathematics Day 2019-20 It is observed on 22 December every year to mark the birth anniversary of legendary Indian Mathematician, Srinivasa Ramanujan. The day recognizes and celebrates his works. On this day, the genius mathematician Srinivasa Ramanujan was born in 1887 to a Tamil Brahmin Iyengar family at Erode, Tamil Nadu.

Since ancient times various scholars had made significant contributions to mathematics including Aryabhata, Brahmagupta, Mahavira, Bhaskara II , Srinivasa Ramanujan, etc. At a very young age, Srinivasa Ramanujan showed the signs of an unfolding genius, and his contributions regarding fractions, infinite series, number theory, mathematical analysis, etc. set an example in mathematics.

**National Mathematics Day: History**

In 2012, the former Prime Minister of India, Dr. Manmohan Singh, paid tribute to Srinivasa Ramanujan at a function organized on the occasion of the birth anniversary of the great mathematician Srinivasa Iyengar Ramanujan in Chennai. 22 December was declared as National Mathematics Day. Thus, on 22 December 2012, National Mathematics Day was celebrated across the country for the first time

**National Mathematics Day: Significance**

The main objective behind the celebration is to raise awareness among people about the importance of mathematics for the development of humanity. We can't ignore that several initiatives are taken to motivate, enthuse, and inculcate a

positive attitude towards learning mathematics among the younger generation of the country. On this day, training is also provided to the mathematics teachers and students through camps and highlights the development, production, and dissemination of teaching-learning materials (TLM) for Mathematics and research in related areas.
