Memorandum of Understanding

Between

Fish Seed Farm, Medak District

And

Department of Zoology, Telangana Tribal Welfare Residential Degree College
for Women Medak, Medak District.

This Memorandum of Understanding (MoU) is entered into on 01 September 2022 between Fish Seed Farm, located in Medak District, Telangana, hereinafter referred to as "Fish Seed Farm," and Telangana Tribal Welfare Residential Degree College, situated in Medak, hereinafter referred to as "TTWR Degree College."

Aim:

The aim of this MoU is to establish a collaborative partnership between Fish Seed Farm and TTWR Degree College to facilitate mutual cooperation in areas of education, research, and development.

Terms of Agreement:

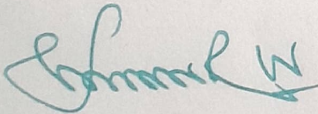

- 1. Training Programs:** Fish Seed Farm will conduct specialized training programs for students and faculty members of TTWR Degree College. These programs will focus on imparting practical knowledge and skills in aquaculture and fisheries management.
- 2. Collaborative Research:** Both parties agree to collaborate on research projects related to aquaculture, fisheries management, and related fields. This collaboration may include joint research proposals, sharing of research facilities, and conducting joint research activities.
- 3. Student Internships:** Fish Seed Farm agrees to provide internship opportunities for students from TTWR Degree College. These internships will allow students to gain practical experience in fish farming, hatchery management, and related activities.

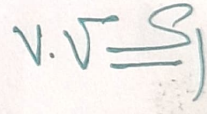

4. **Exchange of Expertise:** Both parties agree to exchange expertise and knowledge in areas of mutual interest. This may include organizing seminars, workshops, and guest lectures by experts from Fish Seed Farm at TTWR Degree College, and vice versa.
5. **Facilities Sharing:** Fish Seed Farm may provide access to its facilities, such as fish hatcheries, laboratories, and demonstration units, for educational and research purposes to the faculty and students of TTWR Degree College, subject to mutual agreement.
6. **Publication and Dissemination:** Both parties may collaborate on publishing research findings, reports, and articles in academic journals, magazines, and other publications. Proper acknowledgment will be given to the contributing institution and individuals.
7. **Confidentiality:** Any confidential information shared between the parties as part of this collaboration shall be kept confidential and used solely for the purpose outlined in this MoU.
8. **Duration:** This MoU shall come into effect on the date of signing and shall remain in force for a period of 3 Years, unless terminated earlier by mutual agreement.
