Report on Extension lecture

Date: 29.08.2024

Academic year: 2024-2025

No. of Students: 23

Location: Govt Degree College, Medak

Mentor: K. SHARATH DEEPIKA, Lecturer in Botany

G. ARUNA, Lecturer in Botany

Summary:

Our students were escorted to attend the Biodiversity workshop organized by the Department of Botany of Government Degree College, Medak.

Mr. Sadashivam addressed the gathering and explained about the conservation of biodiversity and its loss. How human beings are being a part in destroying the environment. It was an eye opening event on how to conserve the biodiversity. Our students have taken all the inputs and will surely transfer the same information to their peers and fellow people in the villages. This session made a very positive impact on the students.

Our College faculty, G. ARUNA, has been the esteemed resource person for the one day workshop on “Biodiversity Conservation”

We thank Government degree college, Department of botany staff for conducting such an informative event.
