DEPARTMENTAL ACHIVIMENT

Selected for the Super Student live lecture in TSAT Channel Mathematics subject. VEENA MPCPS II YEAR exhibited exceptional proficiency and passion for the subject. Their participation enriched the educational discourse with insightful explanations and innovative teaching methods. With meticulous preparation, K, VEENA delivered engaging lectures, captivating audiences and peers alike. Feedback praised their clarity and depth of understanding, underscoring their impact on viewers. Through this platform, they demonstrated leadership and dedication to academic excellence. K. VEENA's involvement not only elevated the TSAT Channel but also inspired fellow students, fostering a deeper appreciation for mathematics. Their contribution reflects a commitment to shaping and advancing mathematical education positively.

Being selected as a Super Student Lecturer in the Mathematics Department and winning a cash prize of 4000 INR from the TTWRDC Society is an outstanding achievement, exemplifying K Veena's exceptional academic abilities and leadership qualities. As a Super Student Lecturer, Veena showcases not only a deep understanding of mathematical concepts but also the skill to effectively communicate and inspire peers. This recognition highlights her dedication to excellence in academics and her commitment to sharing knowledge within the department. Winning the cash prize from the TTWRDC Society further underscores Veena's contributions to the academic community and serves as a testament to her hard work and determination. This dual accomplishment marks a significant milestone in Veena's academic journey, setting a strong foundation for future success.
