DEPARTMENTAL PROFILE

1. Name of the Department: POLITICAL SCIENCE

2. Brief History of the College

Telangana Tribal Welfare Residential Degree College (Girls) Mulugu was established during the academic year 2017-18 under the KG to PG mission by government of Telangana. It is one of the 22 degree colleges established by the Government of Telangana under the aegis of TTWREIS for the development of the marginalized sections of the Society with a motto providing the highest standard of academic excellence coupled with outstanding communication and other interpersonal abilities and thus uplifting their self-confidence. The concept of degree colleges was therefore a part of Government of Telangana.

Telangana's KG to PG mission .This welfare society has started its grand journey with the mission of turning 270 Residential schools into excellence centres, not only in academics but also in co-curricular and extracurricular fronts.The Government of Telangana keeps the utmost importance to the education and has resolved to provide KG to PG free education policy to provide free education and in the year 2017 was the beginning of (22) TTWRDCs in the state of Telangana Vide G.O Ms. No. 40 Dt 06.07.2017.

Under the innovative leadership of the hounorable secretary Naveen Nicolas ,IAS, with his noble ideas at the helm of Gurukulam's affairs, the TTWRDC colleges are excelling in academic and other fronts. Due to the secretary's global vision, the students are scaling the heights of the highest mountain peaks in the world and testing the ocean depth. Some students passing the cosmos, nation's horizons are no limits to visiting different countries and transforming themselves into world leaders. Several students' unleash their talent in games and sports at national and international level. In these Gurukulam institutes, a number of talented musicians, dancers, actors, singers,

lyricists took birth. A number of students have followed their dreams of becoming potential entrepreneurs. We are proud to say that our Gurukulam's innovative ideas and new trends diverted the attention of the Harvard's team to visit Gurukulam's institutions and the success story is made a case-study in one of their programs.

The College leap jumped the initial hurdles and now shifted to PMRC Building Eturnagaram, here for class rooms, separate hostel for accommodation for Tribal girls' students.

3. History of the Department:

Political science is one of the Social sciences that deal with state, government, power and policy making. Politics and Political Science are often used as synonyms. But their meanings differ both in terms of scope as well as emphasis. The actual process of cooperation, conflict and competition is what is meant by the term 'Politics'. Political science refers to a systematic way of studying the process of politics. While studying the process of politics, Political science identifies patterns and the factors that determine cooperation and conflict among individuals and groups. This forms the basis of general conclusions of political science. Thus, Political science is an organized body of knowledge dealing with concepts and theories concerning the process of politics.

Political Theory includes both science and philosophy. Political theory attempts to explain, evaluate and predict political phenomenon, and in the process builds not only scientifically testable models, but suggests values as rules of human conduct. What it seeks to achieve is to build a good society, and in the process creates procedures, institutions, and structures.

In light of this, the department of Political Science in our college has taken up programs such as conducting field surveys to assess the political awareness among rural youth.
