

## Bridge Program - 2021: 25<sup>th</sup> Oct 2021 to 5<sup>th</sup> Nov 2021

Realizing the significance of English & basic Arithmetic, Gurukulam organizes, Bridge program for the newly admitted 1<sup>st</sup> semester students. As majority of our students hail from rural vernacular backgrounds and consequentially face difficulty in basic communication and numeracy, Gurukulam designed an intensive 10 days Bridge course covering elemental but quintessential topics in English such as parts of speech, punctuation, tenses, writing correspondence, communication skills etc. to equip the students with basic skills for effective quotidian conversation. Similarly, Basic arithmetic skills in number system, fundamental operations, fractions & decimals, ration & proportions, interest, time & work, Linear equations, algebra formula applications, plane geometry etc. are imparted to the students to hone their numerical skills. Besides, the regular curriculum, the Bridge classes are commenced from 2:00 p.m. to 5:00 p.m. (one and a half hour for each subject). During this 90 minutes of each session, the first hour comprises of lecture cum presentation by the facilitator and remaining 30 minutes are allotted for the practice of worksheets based on the content taught. In the current session of the Bridge course, scheduled from 25/10/2021 to 05/11/2021, approximately 70 students (on an average) participated enthusiastically and got benefitted of it. The bridge course was concluded with a grand test on 06/11/2021 which examined the students' progress during the course of Bridge course.
