MEDICAL CAMP - 25/04/2025

TGTW Residential Degree College (Men), Nagarkurnool at Jadcherla, successfully organized a **Medical Camp on the occasion of world Malaria day** to promote health awareness and early diagnosis among students and staff.

The camp was led by **Dr. Aruna**, Staff Nurse, with the active participation of **Dr. Mirza** (Medical Officer), **Smt. Dr. Vijaya Madhuri** (MLHP), and **ASHA Workers** from the local community.

During the camp, the following basic health check-ups were conducted:

- Blood Pressure (BP) Monitoring
- Blood Sugar Testing
- Hemoglobin (HB) Testing
- Height and Weight Measurement
- General Health Consultation

Highlights

- Free basic health screening for all students and staff.
- Awareness about lifestyle diseases and preventive healthcare.
- Immediate consultations and advice provided by medical professionals.
- Active involvement of ASHA workers in assisting and coordinating.
