Sciences for Women, Nizamabad**

Department of English

BRIDGE COURSE

The Department of English is organizing “Bridge Course” for the I Year students soon after their admission in to the College. Majority of the students are from Telugu Medium background and their language skills are poor. It serves as a foundational program designed to bridge the gap between students prior knowledge and the current requirements for higher education. It focuses on strengthening the basic language skills (LSRW), while introducing students to academic and professional communication. Hence 90 minutes/ day for 10 days training is given to them on basics English language and grammar. This Course helped many first timer students in coping up with use of language.

A Few Glimpses
