5. Theme/Topic: Conducted workshop on “innovation Ideas on Software Applications”

Date & Time: Oct 24th 2024

Venue: Computer lab, TGTWRDC

Report:

A workshop on "Innovation Ideas on Software Applications" was conducted to encourage creativity and problem-solving skills among participants. The session focused on generating innovative software solutions to address real-world challenges, fostering a mindset of entrepreneurship and technology-driven thinking. Attendees were guided through brainstorming techniques, design thinking principles, and practical examples of successful software innovations. The program aimed to inspire participants to develop original software ideas with potential for impact in various industries.

Report:

The Kalpana Program for STEM was organized to inspire and encourage students, especially women, to pursue careers in science, technology, engineering, and mathematics. The program featured workshops, motivational talks, and hands-on activities, highlighting the significance of STEM education in shaping the future. Participants gained valuable insights into STEM fields and were encouraged to explore innovative opportunities in these disciplines. The event aimed to bridge gender gaps and promote inclusivity in STEM-related careers.
