Dear Principals,

Please find the below oral directions given by Secretary; TTWREIS for RDCs

1. Faculty and Student attendance- only biometric attendance would be considered hereafter; Principals should observe the daily attendance of both faculty and students mandatorily, any issues with biometric, contact NIC Vikas, Head Office;

2. Every faculty member should write a research paper and publish by end of this semester.

3. Regarding NAAC, immediately establish an IQAC Cell with an IQAC Coordinator and members from each department; further identify (7) criteria heads and allot 2 members for each criteria head. Members of IQAC Cell may also act as criteria heads and share details to head office by Monday.

4. It is mandatory to maintain teaching diaries with lesson plans of the past (4) years and teaching diaries issued by concerned universities only to be maintained and not in note books.

5. Principals should work on bringing Collaborations or MoUs from the concerned universities or industries or Government / Research organizations.

6. Principals to start an 'Alumni Association' in their institution and see that passed out students to enroll themselves; you can give an option in your website for online enrollment too, this is most urgent.

Note: The above directions issued should be updated to HO every week without fail.

Thanks & Regards

Deputy Secretary (Degree Colleges)

TTWREIS (Gurukulam H.O)
