CAREER GUIDENCE ACTIVITIES**

**1. Career guidance programe:-**

**Title:** Career Guidance Session on Pursuing M.Sc. Entrance Exams

**Date:-** 11-12-2019

**Introduction:**

The Career Guidance Session on pursuing M.Sc. Entrance Exams was held on 11-12-2019 at Telangana Tribal Residential Degree Collage For Women for degree students aspiring for higher studies. The session aimed to provide insights into various aspects of preparing for and pursuing a Master of Science M.Sc. Zoology .

**Objectives:-**

- ❖ To help students understand the purpose and significance of pursuing a Master of Science in Zoology and the role of entrance exams in gaining admission to reputable Universities.
- ❖ To equip students with the knowledge, skills, and strategies required to effectively prepare for M.Sc. entrance exams, including guidance on study materials, syllabus coverage, and time management techniques.
- ❖ To create a supportive and interactive environment where students feel comfortable asking questions, seeking clarification, and engaging in discussions to enhance their understanding of the M.Sc. entrance exam process.

**About the programme:-**

- ❖ Understanding M.Sc. The session began with an introduction to the M.Sc. degree, its significance, and the diverse specializations available.
- ❖ Entrance Exam Preparation Practical tips and strategies for preparing for M.Sc. entrance exams were discussed. This included guidance on study materials, time management, and mock tests.

**Conclusion:**

The Career Guidance Session on M.Sc. Entrance Exams proved to be highly informative and beneficial for degree students aspiring to pursue higher studies in the field of science. By providing valuable insights, practical tips, and personal experiences, the session empowered students to make informed decisions and embark on their academic journey with confidence.

**Feedback :-**

**Lavanya- M.Z.C 3<sup>RD</sup> year**

- ❖ This session was very much useful for my higher studies to decide my path of journey in higher education.

**Suvarna- M.Z.C 3<sup>RD</sup> Year**

- ❖ This was very informative encouraged me to do my M.Sc in Zoology.

## 2. Webinar program on CPGET,CUCET

**Title:** -Report on Career Guidance Programme for M.Sc Zoology Entrance Exam

**Date:** -July 24, 2021

**Venue:**- TTWRDC(W), RAJANNA SIRICILLA

### Introduction:

On July 24, 2021, Professor Swamy conducted a comprehensive career guidance program for students aspiring to pursue M.Sc in Zoology. The program aimed to provide insights into the examination

pattern, syllabus, and career prospects associated with the field of zoology.

### Speaker of the session :-

J. Swamy

M.Sc , B.Ed,NET

Assistant professor of zoology

Gvt Degree Collage, Nalgonda

### Program Agenda:

#### 1. Introduction to M.Sc Zoology:

Professor Swamy commenced the session by providing an overview of the M.Sc Zoology program, elucidating its significance in the realm of biological sciences.

#### 2. Examination Pattern and Syllabus:

Detailed insights were provided regarding the examination pattern, including the structure of the question paper, marking scheme, and duration of the exam. Additionally, Professor Swamy meticulously outlined the syllabus, emphasizing key topics and areas of focus.

#### 3. Preparation Strategies:

Various strategies for effective exam preparation were discussed, encompassing the importance of time management, resource utilization, and the significance of regular revisions.

#### 4. Career Prospects:

The session delved into the diverse career opportunities available to M.Sc Zoology graduates, ranging from research and academia to wildlife conservation and environmental consulting. Professor

Swamy highlighted the growing demand for professionals in these domains and emphasized the need for continuous learning and skill development.

#### **5. Interactive Q&A Session:**

The program concluded with an interactive Q&A session, wherein students had the opportunity to seek clarification on doubts and queries pertaining to the M.Sc Zoology entrance exam and related career prospects.

#### **Conclusion:**

Professor Swamy's career guidance program proved to be immensely beneficial for students seeking to pursue M.Sc Zoology. By providing comprehensive insights into the examination pattern, syllabus, and career avenues, the session empowered students to approach their academic and professional aspirations with clarity and confidence.

#### **Feedback:**

Students expressed gratitude towards Professor Swamy for his valuable guidance and insights, which they believed would greatly enhance their preparation and decision-making processes.

#### **B. Bharghavi**

This career guidance program conducted by Professor Swamy sir served as a valuable resource for aspiring M.Sc Zoology for us. It gave lots of information with the necessary knowledge and guidance to embark on a successful academic and professional journey in the field of zoology.

### 3. Orientation programme on higher education

Title: Orientation for Pursuing M.Sc. in Zoology

Date:- November 22, 2022

Introduction:-

An orientation session focusing on career guidance for degree students interested in pursuing a Master of Science (M.Sc.) in Zoology was held on November 22, 2022. The session aimed to provide insight into the field of Zoology, career prospects, and guidance on preparing for higher studies.

**Key Points Covered:**

**Career Prospects:** The session delved into various career avenues available to M.Sc. Zoology graduates, including research, conservation, academia, and industry roles in pharmaceuticals, biotechnology, and environmental consulting.

**Entrance Exam Preparation:-** Strategies for preparing for M.Sc. Zoology entrance exams were shared, including recommended study materials, time management tips, and the importance of mock tests.

**Research Opportunities:** The session emphasized the significance of research in Zoology and showcased ongoing research projects within the department, encouraging students to explore research opportunities during their M.Sc. studies.

**Conclusion:-**

The Career Guidance Session on Orientation for Pursuing M.Sc. in Zoology provided valuable insights and guidance to degree students interested in furthering their studies in Zoology. By offering a comprehensive overview of the field, career prospects, curriculum, and practical advice, the session aimed to empower students to make informed decisions and embark on a rewarding academic and professional journey in Zoology.
