

# DEPARTMENT OF MATHEMATICS

Academic Year:2019-20

## Career Guidance Orientation Programme

**Date:** 28/01/2020

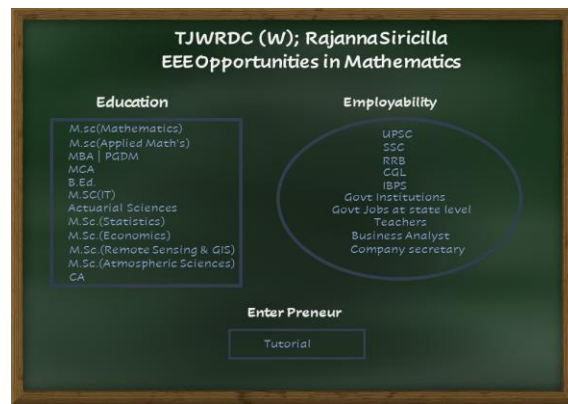

### Objective:

- The prime objective of the Career Guidance Orientation programme is to provide the guidance and assistance for the students to achieve their career goals.
- To help students develop the skills needed to succeed in those careers later in life.

### About the Programme:

To create awareness among the students regarding available career options the Department of Mathematics conducted a session regarding EEE( Education, Employability, Entrepreneur) opportunities in Mathematics.

## **Career Guidance Orientation Programme**

**Date:** 22/12/2021

### **Objectives:**

- Career Guidance is a counselling programme that help the students to choose the right career path based on their educational and professional choices.
- A qualitative and quantitative assessment of the student's knowledge , skills, information and experience identifies which career options are available.

### **About the Programme:**

To create awareness among the students about PG orientation the Department of Mathematics conducted a orientation session with the final year MPCs students B.Pallavi, G.Akhila, CH.Suchithra. In this session students gave the information to the other students about top colleges in Telangana regarding CPGET & IITJAM.
