CAREER GUIDANCE CELL POLICY

ABOUT THE CELL

Career Guidance Cell is a dynamic body functioning to provide wholesome development to students, giving utmost importance to various factors resulting in the success of a professional career and higher studies through three factors Education, Entrepreneurship and Employment.

VISION

The vision of Career Guidance Cell is to provide key career development services to enhance the academic process of learning that will lead to career planning and goal setting for all students. We empower students to discover and pursue a path to a fulfilling career and provide information to the students.

MISSION

To educate and equip students to become career minded through educational opportunities that will enhance their understanding of career exploration, planning, preparation and development.

CAREER GUIDANCE CELL TEAM

The career guidance cell of the college is constituted with a co-ordinator, placement officer and faculty members of each department to provide necessary guidance and information to the students in shaping the future career. The team keeps up to date with higher education and employment opportunities to ensure quality advice to students.

OBJECTIVES OF CAREER GUIDANCE CELL.

The Career Guidance Cell has been catering to the needs of students with the following objectives:

To conduct a survey among students on their career options.

To organize programmes to create awareness about the importance of higher studies in India and Abroad.

To organize seminars on interview skills, personality development, communication skills, leadership skills, resume writing, analytical skills, quantitative ability, verbal and reasoning skills essential to all competitive exams.

OUTCOMES OF CAREER GUIDANCE CELL

Realization towards the knowledge gained and its scope in careers

Students develop a realistic career plan by understanding their needs, interests and skills.

Students develop competence in decision-making, career planning, team work and take responsibility for their own decision

Collaborative efforts help to accomplish their goal for career, higher education and turn their entrepreneurial ideas to reality.
