STUDENT BANK

AIM & OBJECTIVES:

A student bank account serves as a safe place for students to store their money while providing them with tools to track their spending habits effectively. By encouraging responsible financial behavior early, these accounts play a crucial role in shaping students into financially competent students.

Services for students

Banks provide a variety of student-focused services, such as budgeting tools, mobile banking apps, and access to financial education materials. These services enable students to track their spending, set financial objectives, and learn healthy money management skills early on.

MISSION AND VISION

Mission and vision statements serve as essential guiding principles for both students and individuals in shaping their goals, actions, and overall direction in life. They provide a sense of purpose, clarity, and motivation, helping individuals stay focused and make meaningful decisions.

STUDENT MALL

AIM & OBJECTIVES:

Imparting knowledge and skills to your academic life in professional and social skills in an individual such that he succeeds in his field of interest therefore helping him to learn more about the academic aspects of the subject.

The S-MALL proposal has been initiated by Entrepreneurship club. S MALL is a store that is owned and managed by students; the most important objective of the store is to inculcate managerial skills among students.

The followings are some of the essential features of S-MALL:

- There is no restriction on membership of S-MALL as any student of TTWRDC (W) SURYAPET can become a member of S-MALL.
- The members of the S-MALL store contribute capital in small amounts.
- The surplus of a store is distributed among the members in the form of profit.
- The accounting of transactions is maintained by B.COM students.
- The trading of S-MALL store is made on the basis of cash.
- A sale can be made to non-members on the basis of market rate.
- It makes bulk purchases directly from the wholesalers and sells these goods to its members on retail basis.

VISION

To become the service provider of choice for the institution.

MISSION

To provide goods and services those are:

- essential to academic and administrative success;
- convenient;
- user friendly;
- customer driven; and
- Readily available at a quality-for-cost ratio that is not consistently available in the community.

PURPOSE

To support the business education, research and outreach missions by enhancing the student experience; minimizing the impact of cost of attendance; and providing competitive, customer focused business education.

S-MALL CANTEEN

It caters to the basic needs of students in the institution like snacks, Maggie, bread omelet...etc. Canteen is a place where everyone i.e. students, teachers and other staff members can relax in a comfortable atmosphere & discuss issues on different matters. Our college canteen is much more than merely an eating place. The canteen provides healthy, tasty eatables, fresh fruit juices, hot and cold drinks to the students at subsidized rates. The location of our college canteen is such that it is easily approachable from all the departments.

- Provides good quality food at concessional rates.
- Healthy, hygienic and pleasant environment.
- Provides clean and pure drinking water.
- Maintains eco-friendly environment.
- Good professional services.

A REPORT ON FOOD FEST 2K24

About the programme:

In a culturally diverse country such as India which has a rich culinary heritage and eating meals together is a part of social traditions followed since generations. With this background in mind and in order to bring motivate students to engage and culinary arts and share the food cooked by them with the Lecturers and the students of the College, the Department of Commerce organizes Food Festival in the College premises. The food festival is very popular amongst the students and Lecturers since it takes them on a culinary trip with an opportunity to taste diverse Indian and western recipes. This event is also combined with the Entrepreneurship exhibition to motivate students to turn their culinary hobby into a business.

Objectives

1. To create an awareness about rich culinary heritage.
2. To motivate students to engage in culinary arts and share food preparing skills amongst themselves.
3. To recognize the importance of traditional ingredients.
4. To create a platform that encourages them to realize their culinary skills and pursue these skills as a livelihood in future.

REPORT

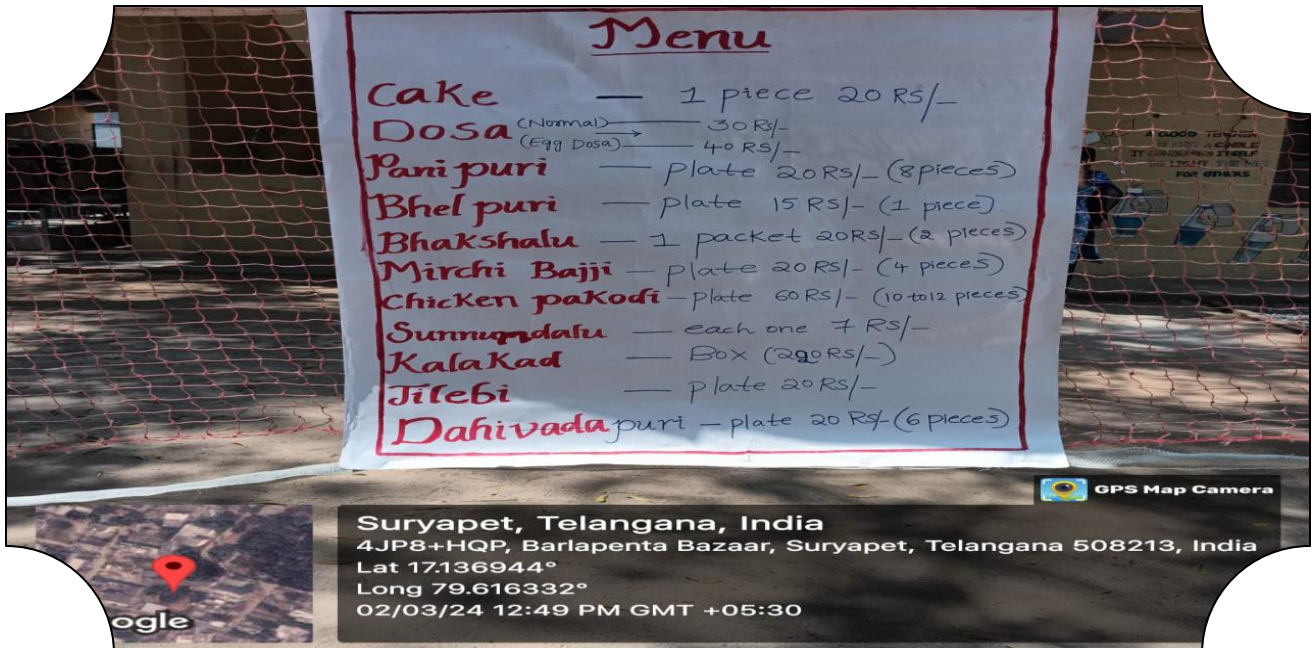

In our college Telangana Tribal Welfare Degree Women College Suryapet, the students had set up different food stalls in front of the college Ground. It was a great success as it's all the items in the menu card were booked as a Pre-Order. They had made the traditional food varieties like Chicken Pakodi , Fruit Salad, and Chicken Biryani , Cutlet , Popcorn, Noodles ,Bread amlet, and Jilebi so on. And these food varieties were sold by the students and made a great profit and the profit amount was contributed Wall Clocks to Various Departments. The food festival was really a beautiful platform for those who love both eating and cooking. All put Together, the feast made a great turnover for the younger minds in the campus
