Throughout these years, no cases of ragging and sexual harassment were reported in the institution. The absence of such cases can be seen in the college's organization of various programs focused on gender equality, women empowerment, women's rights. The availability of feedback systems enables the students to express their issues or grievances to the teachers or management, enabling them to effectively communicate and address their needs. By addressing all reported grievances in a timely and impartial manner, the college has tried to create a supportive and pleasant learning environment for the students.
