## National Education Policy (NEP)

### Vision:

“Educational Empowerment” is the vision of our college .empowerment and enlightenment of women through value-based and quality education so as to foster informed global minds. The Institution also has a proactive role in enabling the girl student for income generation and sensitizing them to international issues, so that they become truly equipped global citizens.

### Mission:

The Mission of our college is to encourage the students to find their field of interest and train them to acquire the required skills, implying to provide multidisciplinary education to empower the Tribal women of the society.

### National Education Policy 2020 Implementation

#### Interdisciplinary/ Multidisciplinary:

Being an affiliated College of Mahatma Gandhi University, Nalgonda, Telangana, our curriculum is designed by the affiliating University as per the UGC and state Govt norms. As and when the Mahatma Gandhi University, Nalgonda, Telangana, releases guidelines and curriculums, the college abides by it. However, the university in coordination with Telangana State Council for Higher Education has integrated cross cutting issues relevant to the Professional Ethics, Gender sensitization, Human Values, Environment and Sustainability in the curriculum as Ability Enhancement Compulsory Courses (AECCs) and Generic Electives (GEs).

- The College focuses on effective implementation of the Core Courses coupled with the Generic Electives and Discipline-Specific Electives and Skill Enhancement Courses such as
- Environmental Studies (EVS)
- Basic computer Skills
- Leadership Management and Communication Skills
- Certificate courses like Data Science training
- Web & Mobile Applications Training
- MATLAB, Internship programmes in Foreign Universities etc

Innovative pedagogy methods and techniques like Blended learning (Flipped Classrooms) an Smart boards/eLearning to provide augmented multidisciplinary learning experiences to our students.

### **Skill Development:**

The affiliating university, Mahatma Gandhi University, Nalgonda, Telangana, provides an array of Skill development courses with appropriate credits as part of curriculum as Skill Enhancement courses (SEC).

The college is also registered member of Telangana Academy for Skill and Knowledge (TASK) [A Government of Telangana Portal] and on a regular basis Certificate courses are offered to Students through TASK on skill development both online and offline.

Field visits are undertaken and industry experts are invited for workshops and interactions to overcome gap in theory and Industry practices/expectations, map skills, and to identify certifications required by the industry. Accordingly, select value-added programs are offered as certificate courses. Students are also encouraged to enroll for online vocational and soft skills courses through National eLearning portals.

### **Outcome Based Education:**

The college is promoting project-based learning, experiential learning, group discussions, brainstorming, role plays, and field-based learning like visits to industrial units, research labs and other institutes to promote constructive learning and active involvement of students.

### **Online education:**

During the Covid-19 Pandemic online classes were conducted by all faculties. Both teachers and students were given training to use online teaching technology/platforms. Assessments were conducted online. The college has conducted online lectures and webinars for the students through Microsoft Teams (MS), Google Meet, etc. during the pandemic. Students are encouraged to participate in the online courses through different online learning platforms like Course era, SWAYAM NPTEL etc.
