SOCIAL OUTREACH POLICY COMMUNITY SERVICES

## INTRODUCTION:

Outreach is an activity of providing services to populations who might not otherwise have access to those services.

Outreach is often meant to fill in the gap in the services provided by mainstream (often, governmental) services, and is often carried out by those who have zeal, enthusiasm, passion, motivation and determination for social services.

The Community Outreach Program gives students the opportunity to get involved in community service on a regular basis.

## VISION:

To empower and inspire the lives of the people by engaging students and faculties and through various awareness and welfare activities on education, health, economy, environment and livelihood.

## MISSION:

Our institution inculcates social value and responsibilities to the faculty members and volunteers by imparting extension activities in the neighborhood for holistic development of the society.

## Objectives of Community outreach

- Develop among themselves a sense of social and civic responsibility
- Identify the needs and problems of the community to involve them in providing solution to problems
- Utilize their knowledge in finding practical solution to individual and community problems
- Develop competence required for collective existence and sharing of responsibilities
- Gain skills in mobilizing community participation
- Acquire leadership qualities and democratic attitude
- Develop capacity to meet emergencies and natural disasters
- To create an awareness of self-worth.
- To encourage all segments of society, irrespective of caste, creed, religion or economic situation to cooperate on long-term development.

### The activities that need attention

- Creating Awareness about educational opportunities.
- Career Counseling

### Community Support

- Health & Social Awareness
- Nutrition

### Collaboration:

It is advisable to conduct outreach activity in collaboration with other departments.

Awareness of plastic uses and use own clothe bags.

### Conclusion:

Community outreach is an integral part of social work and community development practice.

As a part of community outreach, social and community development workers provide information to individuals, families, groups, and the community, connect clients/community with services and consult them to design services and community initiatives.
