" $\pi$  day"

$\pi$  day is celebrated globally on March 14 every year to recognise the mathematical constant  $\pi$  ( $\pi$ ).

The approximate value of  $\pi$  is 3.14. The date when written in the format of month/day (3/14) matches the first three digits of the mathematical constant. UNESCO

marked  $\pi$  day as the "International Day of Mathematics" on the occasion of  $\pi$  day conducted group discussion to students on importance of  $\pi$  day.
