

Activities

- Conducted group discussions in the class.
- Focused to write the code of C++ in own way.
- Identifying the parts of computer either input or output devices.
- Easy programming code with general examples.
- Making the basic computer model with cotton boxes and thermocol.

Seminars

- Few students were given the seminar in the class on their desired topic.

- | <u>Students</u> | <u>topic</u> | <u>Sign</u> |
|-----------------|-------------------------------|-------------|
| 1) A. Mamatha | — oops features explained | A. Mamatha |
| 2) Ch. Kalinda | — Constructors in the class. | Ch. Kalinda |
| 3) R. Astha | — Arrays with matrix problems | R. Astha |

Quiz

- Conducted the weekly quiz competitions with all the groups based on computer science fundamentals.
- Divided into 4 groups of each group had 4 members.

→ We Organized to watch the motivational & innovative movie based on Web Technology & Internet applications.

→ They inspired after watching the movies like "abhinav" & understood how the technology will be used.

→ After that they have written report on the movie as review.

→ We have movie club in our college once in a week i.e, Saturday. So that it is easy to organize the motivational movies for the students.

Principal

UTNOOR-504 311

Dist. Adilabad-T.S.

2019-20

Activities

- Identifying the Peripheral Parts of Computer for the freshers.
- Doing the official letters, presentations in Ms-office.
- Creating the Email ids.
- Making the topology types with the theoretical and explanation of that.
- Giving the speech about fundamentals of computer science & purpose, internet applications.
- Asking the previous topic questions.
- showed the innovative movies & written report on that.

Seminars

- Some students are very much interested to give the seminars on this new subject.

MPC - I year

Name	topic	Sign
1) K. Mourika	c-tokens.	Mur
2) Ch. Pallavi	function overloading	Pallavi
3) Sumayya	Control statements	Sumayya

MPC - II year

1) A. Manojtha	Normalization	Manoj
2) R. Usha	Models of DBMS	Usha
3) Ch. Kalinda	SQL Commands	Kalinda

→ Conducted the quiz competition between the first & second year.

→ 5 groups divided with 5 members for each group.

→ Participated students are

A Group

- ① A. Manatha
- ② G. Ashwini
- ③ Ch. Pallavi
- ④ D. Shirisha
- ⑤ K. Mohibai

B Group

- ① Ch. Kalinda
- ② R. Asha
- ③ K. Mourika
- ④ K. Maheshwari
- ⑤ A. Nagarath

C group

- ① K. Sureswathi
- ② A. Sangeetha
- ③ G. Ashwini
- ④ Ch. Gangabharani
- ⑤ A. Ranjana

D. Group

- ① R. Sai priya
- ② R. Sehalika
- ③ K. Vijayalakshmi
- ④ R. Priyanka
- ⑤ R. Usha

E group

- ① S. Sreethilatha
- ② K. Vanitha
- ③ M. Shirisha
- ④ T. Subhadra
- ⑤ A. Srikanya

Principal

 UTNOOR-504 311
 Dist. Adilabad-T.S.

→ A B Group got the first prize in this Quiz competition & given small prizes to them.

2020-21

Activities

- Conducted online activity like power point presentations, drawing due to corona pandemic situation.
- Draw the flowcharts using with ms office and practiced them.
- Programming code executions in online coder application.

Seminars

- Some of the students were given their seminar with their related and interested topic.

MPG - 2 year

- 1) Ch. Shirisha — Computer Models.
- 2) M. Sathya — characteristics of computer
- 3) P. Roja — Input & output devices

MPG - 2 year

- 1) K. Mourika — Binary tree — Mourika
- 2) Ch. Gangadhara — Stack application — Gangadhara
- 3) Ch. Pallavi — Circular Queue — Pallavi
- 4) Sumayya — Quick sort — Sumayya
- 5) S. Senthilaya — Linked list — Senthilaya

MPG - III year

- 1) A. Mamatha — Java features — Mamatha
- 2) Ch. Kalinda — Network models — Kalinda
- 3) R. Usha — Types of topology — Usha

→ Seminars are given in well manner and they used the help of projectors & ppt.

→ Conducted the quiz competitions for all the 3 years

→ Organized the Computer science fair on the occasion of Computer day.

Principal

Dist. Adilabad-T.S.

2021-22

Activities:-

- Conducted online assessment to first year students.
- Conducted online classes and explained the Code of Computer science in online code application.
- Prepared the ppt for easy understanding.
- Explained about internet applications and General awareness about Computer science.

Seminar:-

- Some of the students are interested to tell about the fundamentals of computer and Java subject.

MPG - I

- 1) K. Sanika - Generations of Computer - K. Sanika
- 2) T. Jyothi - Classification of Computer - Jyothi
- 3) U. Archana - Control Statements - Archana
- 4) S. Prathibha - Loops - Prathibha
- 5) R. Usha - Algorithms - Usha

MPG - II

- 1) Ch. Shriisha - Trees - Shriisha
- 2) M. Narmadha - Stacks - Narmadha

MPG - III

- 1) K. Mounika - JVM work - Mounika
- 2) Sumayya Arjun - Java wrapper class - Sumayya
- 3) Ch. Pallavi - Packages - Pallavi

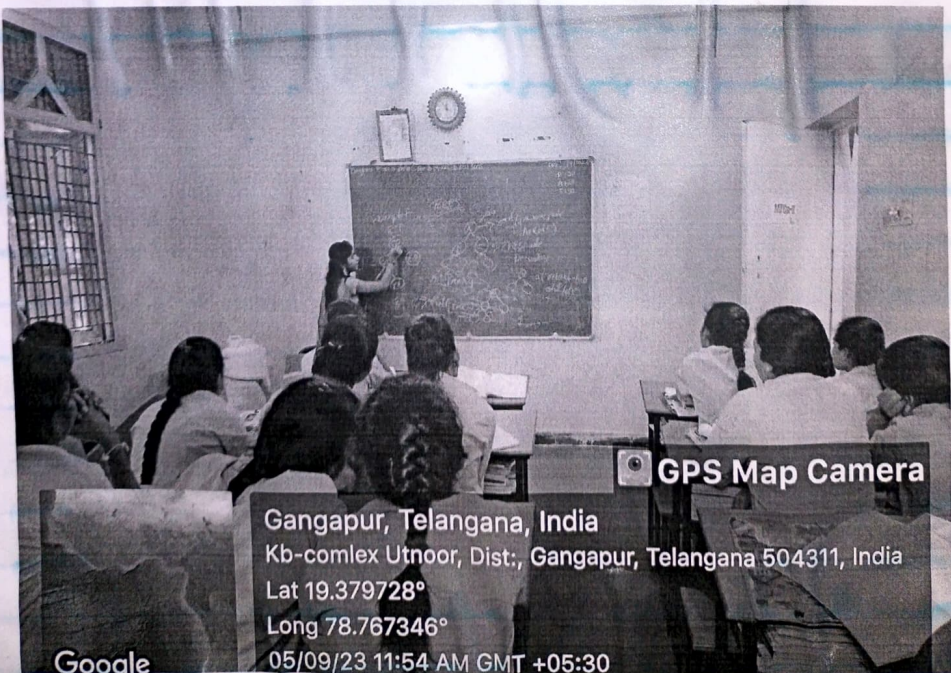

- Conducted classroom discussions in the class.
- The final year students celebrated Computer Literacy day in 2022.
- They had participated in lectures for the celebration of Dr. Sarvepalli Radhakrishna Jayanthi.

The participated students are

- 1) K. Mounika — Control statements
- 2) Ch. Pallavi — Stack
- 3) M. Navaneetha — C Tokens
- 4) Sumanya — Java features

Engineer's days

15/9/2022

- All MPC students are celebrated Engineer's day for the birthday of Mokshagundam Visweshwaraiyah.
- Some of the students spoken about the importance of coding.

T.J.W.R. Degree College (Women)
UTNOOR-504 311
Dist. Adilabad-T.S.

Gandhi Jayanthi

2/10/2022

- All students participated in Gandhi Jayanthi and told the speeches on his struggles and Ahimsa Satva.
- All the students given their opinions about Satyagraha and independence.

Quiz.

11/11/2022

→ Conducted quiz competition of Computer science subject.

Participated students are

MPG-I, ~~MPS~~ → T. Sony
Rhosnika
Deepika
Anasuya
Anjali.

MPG-II → T. Jyothi
K. Sanika
P. Jyothilaxmi
J. Archana

MPG-III
→ Ch. Shriisha
R. Dreethi
P. Aishwarya
M. naranatha

→ Ine divided these into 3 groups with combinations of 3 groups.

Principal

T.T.W.R. Degree College (Women)
UTNOOR-504 311
Dist. Adilabad-T.S.

Discussions

13/11/2022

→ All the students discussed about the quiz questions and objective type questions.

→ In the classroom the students discussed about the topic roles of administrators of database.

Principal
T.T.W.R. Degree College (Women)
UTNOOR-504 311
Dist. Adilabad-T.S.

Activities

Feb. 21/2/23

- Conducted the lab slip test for the Programs of Computer science Subjects such as dbms, HT, C++
- All the students presented the Power Point Presentation on normal topics.
- All the students created their emails and know how that will be used.
- MFC-II year students taken the debate on the need of Internet advantages and disadvantages.

Seminars

Principal
T.T.W.R. Degree College (Women)
UTNOOR-504 311
Dist. Adilabad-T.S.

4/3/2023

- MFC-II students are interested to talk about some topics

- 1) U Archana — Normalization —
- 2) P. Jyothilaxmi — commands of DML —
- 3) P. Vaishnavi — E-R features.

Principal
T.T.W.R. Degree College (Women)
UTNOOR-504 311
Dist. Adilabad-T.S.

Women's day

8/3/2023.

- All the students celebrated women's day successfully
- some students done the dance and singing skits.
- All the students felicitated the lecturers on the occasion of women's day.

Principal
T.T.W.R. Degree College (Women)
UTNOOR-504 311
Dist. Adilabad-T.S.

Quiz.

24/8/2023

- Conducted the quiz competitions on basic knowledge of computers.
- All the first year students involved in this competition.
- They have learnt many objectives like competitive exam questions. In the general topics.
- All the students participated actively.

~~Active~~
