**Elevating Artistry, Inspiring Design**

# Introduction to the Fine Arts Academy

Welcome to the Telangana Tribal Welfare Residential Fine Arts Academy for Women, where creativity meets excellence. TTWRFAA(W) started by Telangana Tribal Welfare Residential Educational Institutions Society (TTWREIS) works under the aegis of the Tribal Welfare Department, The Government of Telangana has been passionately working to place the poorest among the Scheduled Tribes in the prosperous orbit through quality education for the last 35 years.

As a part of providing the education which can make the girl students self-dependent and can create jobs instead of waiting for the job, and to provide the education which has highest demand in the Market, TTWREIS started this college in the year of 2021 with the 03 courses BA (Hons) in Fashion Designing, BA (Hons) in Interior Designing and BA (Hons) in Photography in Digital Imaging.

Our college is dedicated to nurturing the artistic talents of our students and providing them with a platform to excel in various fine art and design disciplines. With a rich heritage of producing exceptional artists and designers, our academy stands as a beacon of inspiration for aspiring individuals who wish to pursue a future in the arts and design. From classical studies to contemporary, we offer a diverse range of programs that cater to the unique strengths and aspirations of each student.

# Vision and mission

At the Fine Arts Academy, our vision is to cultivate a community of passionate, innovative and creative brains who will redefine the boundaries of creative expression. We strive to create an environment that fosters artistic exploration and encourages students to push the limits of their imagination. To instill values such as humanity, ethics, helpfulness, patriotism, and a commitment to social well-being in young hearts for a brighter future.

Our mission is to equip our students with the skills, knowledge, and confidence to thrive as artists and designers in a rapidly evolving world. Nurturing students in a residential environment, focusing on intellectual, physical, and mental well-being. This involves providing quality food, excellent facilities for physical health, and offering counseling, yoga, and meditation for mental well-being.
